## US & Canada Annual Alumni Meet

USA and Canada Annual Alumni Meet was held on 4th November 2023 @ FRISCO

Public Library Community event, FRISCO, Texas. Around 60 Alumni members with their family members attended the event.

Mr. Anand Subramani (2005/EEE), President of US Chapter, welcomed the gathering and the members introduced themselves with a notable memory from their college days. To keep the crowd engaged Mr. Sathya Srinivasan (1998/EEE) gave a speech about the "Career in Consulting".

Panel discussion on US University admissions/scholarships headed by Ms. Sharmila Ramar (1998/ECE) and Ms. Priya Arumugham (1998/ECE).

An icebreaker session sharing memories of college days from Alumni and Various entertaining games were conducted by Ms. Vaseela. Future Roadmap for Alumni Organization was also discussed in the meeting and the members proposed to raise funds to utilize it for a noble cause. Overall it was an unforgettable, lucrative, and fun-filled day. The meeting ended with a networking lunch and Photographs.

# Europe Chapter Annual Alumni Meet

Alumni chapters provide a means for SREC members to socialize, exchange technical information and stay connected. On 28th October 2023, the 2nd Annual Alumni meet of Europe chapter at Hilton Garden Inn Stuttgart, Neckar Park, Germany. Around 30 alumni from different places of Germany attended the event. Mr.Rohit Narayanan (2009/Mech), President and Mr.Sakthi Sivanesh (2014/Mech), Joint Secretary coordinated the event.

Mr.Rohit Narayanan welcomed the gathering. Alumni Members introduced themselves and shared valuable suggestions and ideas to increase the participation and contribution of alumnus to the alma mater and to the institution. Members mentioned that they were impressed over the progress made by the college over the years which reflects the vision laid by the founder, carried on by an effective management team.

Dr.N.R.Alamelu, Principal and Patron in her address praised the contributions of alumni towards the growth of the institution and their achievements in all walks and spreads of their life. She briefed the college activities and the growth of the institution. Dr.A.Murugarajan, HOD, Department of Robotics and Automation explained the development of department and lab facilities made by the institution. Alumnus shared their views and suggested valuable suggestions to increase the participation of the Alumni. They volunteered to conduct webinar sections on latest trends for the benefits of our student community. Various entertaining games were conducted for kids. The meet ended with networking dinner and group photographs.

# Alumni Cricket Trophy

SREC Alumni Association has instituted SREC Alumni Cricket trophy from the year 2019, inviting participation from all institutions as well as Alumni. The tournament expenditure was sponsored by Alumni students of our college.

Sri Ramakrishna Engineering College (Department of Physical Education & SREC Alumni) jointly organized 3rd SREC ALUMNI CRICKET TROPHY for the year 2023-24 from 31st July 2023 to 06th August 2023. Mr. Poomagan.R, Alumnus (2006-2010/MECH), Project Manager, Standard Chartered Bank, Chennai inaugurated the tournament on 31st July 2023. Totally 320 players from 20 teams in and around Coimbatore actively participated in the tournament.

I PLACE – Sri Sakthi Institute of Engineering and Technology

II PLACE – Sri Ramakrishna Engineering College Alumni

III PLACE – Kumaraguru College of Technology

IV PLACE – Sri Ramakrishna Engineering College

Mrs. P. Saranya, Alumnus (2011-2015/ECE), Assistant Manager, TCS, Coimbatore distributed the prizes with a cash awards to the winners and congratulated the participants on 06.08.2023.

## Singapore Chapter

To connect and collaborate with its alumni in Singapore, the Alumni Association of Sri Ramakrishna Engineering College, Coimbatore (SREC) inaugurated its Overseas Chapter in Singapore recently. The inaugural was held at Clarke Quay, Singapore recently. D.Lakshminarayanawamy, Managing Trustee, SNR Sons Charitable Trust inaugurated the chapter and felicitated all the alumni. The office bearers of the Singapore chapter of the alumni association were installed during the ceremony. Padmashree of the 2006 batch is the President supported by the alumni from different batches. N.R.Alamelu, Principal of Sri Ramakrishna Engineering College and Patron of the Alumni Association presented the development of the institution and the support of the alumni. This is the third overseas chapter for the association as it already has similar chapters in the US and Europe, and domestic chapters in Chennai and Bengaluru also. The chapter inauguration was also attended by senior faculty members, alumni from Singapore and Malaysia along with the family members. The College has 15000+ alumni currently across the globe, and it looks to add hundreds more at the completion of every academic year.

# Alumni Induction Programme for UG and PG students of 2024 Batch

The Alumni Induction programme for outgoing UG/PG programs of 2024 batch was held on 17.10.2023 at the college auditorium. Mrs. Veena Ramesh, President of SREC AA, welcomed the gathering. Dr.N.R.Alamelu, the Patron & Principal, felicitated the gathering. More than 800 students, Heads of the various departments, members of faculty attended the event. The introduction about the Alumni Association and a brief report on Alumni association activities for 2022 – 2023 was presented by the parent chapter president. The guest of the day included Mr. T. Anandaraj (CSE/1999) and Mrs.Sandhya Mohan (ECE/2007).

The guests shared their valuable experiences in their path in life and promised that the Alumni Association would hold the incoming alumnus and support them in all possible ways. Re-iterated the fact that the way to reach success was to create a path for themselves in this competitive environment by upgrading themselves with the current technology.

# Parent Chapter Annual Alumni Meet and AGM 2023

The Parent Chapter Annual Alumni Meet was held on 26th August 2023, at #6Hotel, Coimbatore. Around 300 alumni along with their family attended the function. Our beloved Patron and Principal Dr.N.R.Alamelu,faculty members, Head of the departments, Special invitees graced the occasion. Mrs.VeenaRamesh,President SREC AA, welcomed the gathering. Dr.N.R.Alamelu, Principal, SREC, thanked the alumni members for their initiatives and noteworthy contributions towards the growth of the institution and the alma mater. She released the alumni magazine – Spotlight Issue 19 and presented the appreciation award Mr.B.Sethuraman (2005-2009)/ECE,Mrs.P.Saranya(2011-2015)/ECE,Mr.Gokul Babu(2017-2021)/IT, Mr.Vasudevan Panjanathan(2013-2017)/EIE and recognition award Mr.N.Dhanasekaran(1990-2003)/Mech for their noteworthy contribution towards the almatmater. SREC AA alumni scholarship of Rs.10,00,000 was equally distributed to 35 economically backward and meritorious students of various departments. The Batch Endowment fund was awarded to the following three toppers among the applications received for the scholarship.

1. R.Sakthi Sundar of IV Mech received Rs.50,000 from the Dr. K. Kalyanasundaram Memorial Scholarship instituted by Mr.K.Aravind 2002-2006 Mechanical in memory of his father late Dr. K. Kalyanasundaram.
2. Sukitha.M of IV ECE received Rs.30,000 from the Vivekananda Memorial Scholarship instituted by 1990-2000 Batch .
3. Mohana. T. of II CSE and Thiruvengkadam. M.K of II EEE received Rs.25,000 each from the Special Scholarship.

The Annual General Body meeting was chaired by the patron and the members of the alumni association. Dr. N. Senthilkannan presented the resolutions to the gathering and the members ratified the various proposed resolutions. Dr. M. Kasiselvanathan, Convenor – Parent chapter Annual Alumni Meet 2023, proposed the vote of thanks. The event ended with group photographs and a networking dinner.

# Bangalore Chapter Annual Alumni Meet 2023

The Bangalore Chapter Annual Alumni meet was held on 19th November 2023, in Royal Orchid Central, Bangalore. Around 75 alumni members along with their families across different batches and branches attended the meeting. The Principal Dr.N.R.Alumelu, graced the occasion and addressed the gathering. Office bearers of SREC Parent, Bangalore, and Chennai Chapters, heads of various departments, and faculty members attended the meeting.

The meeting began with a welcome note from Mr. M. Muruganandam, President of Bangalore Chapter.

A fishbowl discussion about the present scenario of employability for the students was done and shared their insights. Dr.N.R.Alumelu, the Patron and principal thanked the alumni members for their initiatives and suggestions provided during the discussion and suggested the alumni members contact for any help regarding the discussion. The alumni meeting concluded with a networking lunch and group photograph.

# Initiation Meeting for Australia Chapter Inaugural

SREC's Alumni Chapters offer a platform for members to foster social connections, share technical insights, and maintain a strong network. Dr. N.R. Alamelu, distinguished as the Principal and Patron, has played a pivotal role in elevating the institution through her exceptional contributions to alumni engagement. With pride and anticipation, SREC is thrilled to announce the inauguration of a new Alumni Chapter in Australia on March 09, 2024.

## Alumni Achievers:

Shobana Nataraji, a distinguished 2008 graduate from the ECE department, who transitioned from being an assistant professor in a leading Coimbatore engineering college to the dynamic realm of entrepreneurship. Following her father's untimely demise, Shobana faced the challenge head-on, navigating her family through adversity with unwavering confidence and diligence. Today, as the founder of "Baba Transports," her freight transport company stands as a prominent player in Tamil Nadu, contributing significantly to India's revenue with services reaching across manufacturers, LOA's, and a diverse clientele. Shobana proudly holds her position as a woman icon in the transportation industry, a testament to her resilience and success.

Nausheen Banu, a proud graduate from the Aeronautical Engineering Department (Batch 2012-2016). Originating from a village in Erode, she's achieved remarkable success, notching up not one but two world records!

In an incredible accomplishment, Nausheen glided an impressive 42.195 km at an elevation of 18,000 ft. She seized the crown for the fastest inline skating at the Ladakh Marathon, crossing the finish line in a jaw-dropping 1 hour and 36 minutes!

25.08.2023.

### Induction programme in association with INTERACT, CSI, SDISC AND CySIGMA

Ms. Sreenidhi Anbazhahan, B. Tech (IT), 2014-2018, Senior Software Engineer, Trimble Information Technologies, Chennai

### Webinar on DevOps & SRE, IT domain Market standard

Mr. M. Dharani Dharan, B. Tech (IT), 2013-2017, Senior Cloud Engineer, HCL, Coimbatore

21.09.2023.

## Hackup Technologies

### The Best Choice for Cyber Security Consulting!

Hackup Technology is set up by qualified professionals in the field of cyber security. With years of experience at various levels in the industry coupled with dedication and commitment we are able to offer the best in security related topics including ethical hacking, penetration testing and vulnerability assessment. We do programming, documenting, testing, and bug fixing involved in creating and maintaining applications and frameworks resulting in a software product. We do production and maintenance of websites. The different areas of web design include web graphic design, interface design, authoring, including standardized code and proprietary software, user experience design, and search engine optimization. Our training division arms the prospective security specialist with the latest weapons to emerge victorious in the battle against hackers, intruders and other evil forces in the cyber world. Our services division offers penetration testing, evaluation of security preparedness, forensic investigation, monitoring your IT environment and source code review. In short you have the best of both worlds, namely, tools to prevent cybercrime and investigative procedures to book the criminal after the crime.

## Makelloz Motors

Giga Bikes a new gen start up based on electric vehicle production is in the midst of strengthening & structuring its position in the market to offer a disruptive mode of urban commutation and a commercial commutation. Our product line up consists of indigenously built all electric bicycle with pedal assistance with first in class customisation features in personal transportation segment and a electric three wheeler cargo vehicle to have strong presence in commercial segment. We are also planning to venture into renewable energy solutions which basically strengthens our portfolio and develop a complete one stop solution for green energy products. There are upcoming product line ups which will not only revolutionize our commutation experience but also turn us into cusp of monopoly which is a bit exciting reality.

#### Product line ups:

- Electric bicycle - Nearing mass production stage
- Electric three wheeler Cargo vehicle
- Electric auto retrofit
- Electric tricycles for cargo
- Giga wall- solar powered home

#### Current work:

- Electric bicycle nearing launch
- Electric cargo auto for the client Arima Cables Pvt Ltd, CBE.
- Electric passenger auto rickshaw for UIT
