Fifth Batch Alumni Reunion

The Alumni Reunion for 1998-2002 batch was held on 23.12.2017 at the college premises. Around 100 alumni across the globe attended their class reunion along with their family members. Mr.V.Ramakrishna, COO, SNR Sons Charitable Trust, released the SREC Alumni Magazine Spotlight Issue-9. During this event the 1997-2001 batch alumni instituted an endowment of Rs.2 lakhs.

The campus tour organized by the organizers brought in many enthusiastic participants who reminisced the fond memories of their golden days inside the campus. The gratitude towards the college was much evident when the alumni felicitated and honored the teachers who taught them. The morning session ended with interactive lunch. Few overseas alumni who were not able to attend the event joined through video conferencing and expressed their felicitations. Overall the ambience was exuberant with people chatting around and participating in the special fun events that were arranged for their alumni family and kids. The meet ended with musical evening by SREC – Fine Arts Club students.

Silver Jubilee Celebration

SREC achieved a noteworthy milestone as it stepped into the 25th year during 2018 by, successfully providing quality technical education. The kick off for the year long celebrations was held on 29th June 2018 at the college auditorium. Representatives of various chapters within India and few other alumni were witnessed to the launch of this milestone celebration. Many of the overseas alumni expressed their best wishes and felicitations through text and video messages. The joy and excitement expressed by the alumni brought out the pride on the humungous achievement of stepping into 25th year of academics.

Alumni Accomplishments

Worthy mention to be made about **Mrs. K. Nithya** (BE CSE – 2005) who started her career as software developer and accomplished her childhood dream of serving the nation as an IAS officer after a short stint in the Indian Revenue Service. Pertinent to mention that she had secured the 223rd rank on the All India Level in the IAS Cadre.

Another noteworthy mention about a Mechanical Engineer **Mr. A. Lakshmanan** (BE Mech – 2014) who topped second at the All India Level in the intermediate exams transforming himself into a chartered Accountant.

The Management, Alumni Association and staff of SREC take pride, partaking in their accomplishments and wish them many more such success in their future endeavors.

Hearty Congratulations to both of them. SREC AA Wishes You!!
